ABOUT US

Unique Distinctions is a North American company that brings you an international perspective in packaging. Allan Livingstone founded Unique Distinctions in 2004, after 20 years of purchasing packaging in the cosmetic industries he recognized the need for North American customers to safely take advantage of off shore sourcing. To this point the key to success was the decision to establish Unique Distinctions International, our representative office in Shenzhen China.

NOTES:

WHY CHOOSE UDI?

Quality at competitive pricing

From concept to shelf

Eliminating risk

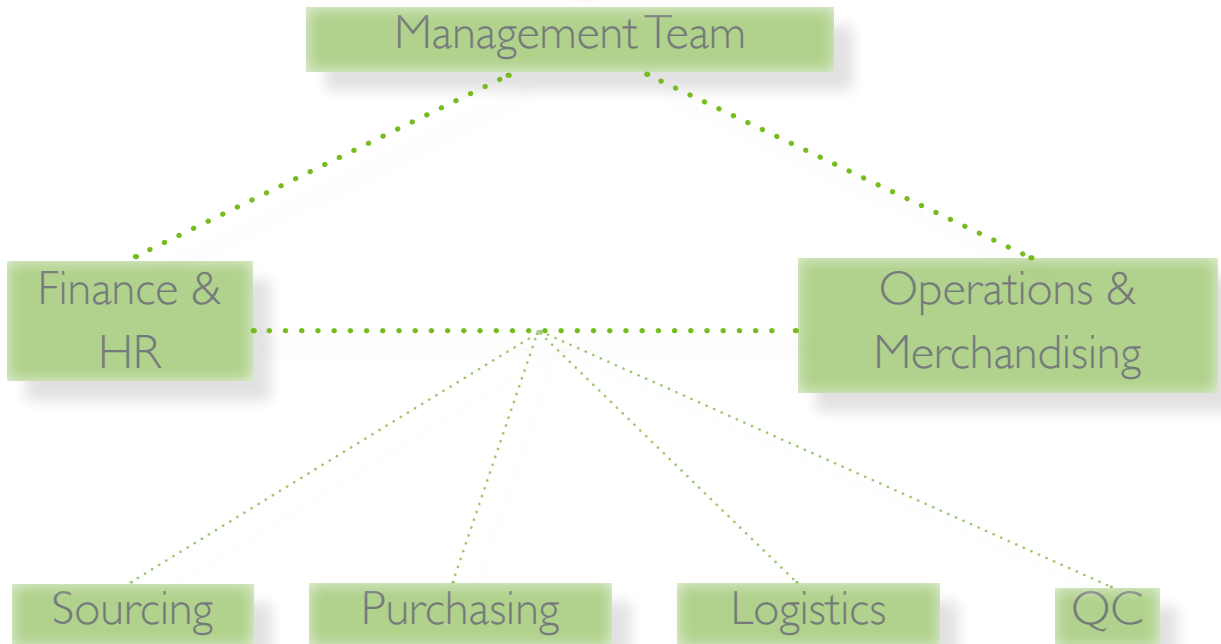

Low MOQ

Flexibility

FEET ON THE GROUND

STAFF WHERE IT COUNTS
